

Sarah Mark

Sarah flaunts her Caribbean culture at every chance she gets by fusing it in her music, style, lyrics and brand.

WEBSITE

Sarah was born in the Caribbean island of Trinidad. She began performing as soon as she started singing at the young age of 9. Fast forward 10 years, 2015, Sarah released her first single, "Tun Up," through Universal Music Canada, which charted on the Canadian Billboard Pop charts at #15. One year later, she released her follow-up single, "Misunderstood," which charted at #24.

Today, Sarah has honed the art of songwriting, partaking in numerous International songwriting camps and writing sessions. With songs on hold with Notting Hill Music, Warner Chapell. Her latest releases include the 2022 release Shallow with international US trance Djs Elevven on Enhanced Music UK and Paralyzed on Future Sound Of Egypt Records UK in 2023
